MAHARASHTRA STATE POLICY FOR PERSONS WITH DISABILITIES

1. INTRODUCTION

The Constitution of India ensures equality, freedom, justice and dignity of all individuals and mandates an inclusive society for all including persons with disabilities (PwD)

The Government of India signed UNCRPD and enacted Rights of Persons with Disability Act 2016 that recognizes that persons with disability are entitled to equal opportunities & rights to participate in the political, social, and economic and self- development activities in all walks of life. In keeping with the developments at the National and International level, the Government of Maharashtra has taken several initiatives to align with the national agenda. This includes formation of Action Plan 2001, School code for Special schools & workshops, Guidelines for recognition of institutions serving PwDs etc.

This policy initiative of Government of Maharashtra is logical progression of legal framework and guidelines for development of institutional infrastructure. The objectives of the policy are :

- a. Smooth and effective implementation of all legislations relating to Divyangjan.
- b. Develop effective multi-sectoral coordination amongst concerned government agencies to ensure early detection, inclusion in education, skill building and appropriate employment, social mainstreaming and legal capacity for all Divyangjans.
- c. Provide necessary budget allocation and required provisions
- d. Suitable regulatory mechanism for effective delivery of services to Divyangjans
- e. Avoid discrimination, exploitation and exclusion of Divyangjan from all spheres of public life and delivery of services.
- f. Take suitable care of Divyangjan with high support needs due to disability, family circumstances or social exclusion.

2. Prevention, Early Detection, and Intervention for Developmental Delays and Disabilities.

2(i) Prevention of Post-natal Development Delays Prevention is the key to reduce the incidences of disability cases among new born. The Developmental delays are common in early childhood and some of them can be prevented by pre-natal care.

- a. Therefore maternal health care, pre-natal, natal service and post natal care will be enhanced by further improving PHC, Rural Hospitals, Sub District Hospitals, District Hospitals, medical officer, health workers and birth attendants under National Health Scheme.
- b. Awareness campaign to encourage pregnant and lactating women to avail institutional delivery facility and claim Rs 6000 under Pradhan Mantri Surakshit Matritva Yojana.
- c. Awareness campaign for rural based pregnant women to avail free supply/ facility of vitamin supplements and immunization by government PHCs

2(ii) Early Detection of Development Delays among Infants and Children :

The Developmental delays are common in early childhood affecting at least 10 percent of the children (as per Rashtriya Bal Swasthya Kalyan Karyakram official note). These delays if not intervened early may lead to permanent disabilities including cognitive, hearing or vision impairment.

- a. The State will endeavor for early detection and management by creating awareness among the ASHA, Anganwadi, Health workers, teachers of Education Department and Special school teachers and through District Early Intervention Centers (DEIC) in preventing these conditions to progress to its more severe and debilitating form, and thereby reducing incidence of disability and improving implementation of Right to Education. The State will also train the ASHA, Anganwadi and Health workers in methods of screening children for disability.
- b. The State will support development of indigenous screening and diagnostic tools wherever required.
- c. Community awareness shall be created regarding role of early intervention and mothers/care givers of divyang children will be trained for home based therapy.
- d. Help of the National institutes will be taken to decide what training is to be given in Community awareness.
- e. Necessary surgical interventions and implants wherever recommended by medical authorities shall be facilitated by the state using Government of India subsidy and state contribution and local bodies funds from 3% budgetary allocation.

2(iii) Availability of Early Intervention Services & Awareness Creation :

Early intervention therapeutic services are not available mainly due to shortage or absence of professionals in semi urban and rural areas.

- a) The Community Workers, and Mothers & care givers will be trained as “Trans-disciplinary Workers” for undertaking the work under guidance of therapists from district hospital. The state will train paramedics or health workers in the above curative areas under DEIC scheme. The assistance of NGOs and members of Civil society will be taken for creating a larger network of early intervention services, and generating public awareness regarding critical role of early detection and intervention in preventing or reducing the impact of a disabling condition
- b) The state will also promote use of time-tested and beneficial child nurturing and parenting practices such as breast feeding, water therapy, massage, appropriate nutrition and mother-infant interactions for physical and mental development of the child during early years and specially during infancy. In addition, physical activities such as yoga, dance and movement with music, swimming and adaptive physical education have produced good results in development of motor, social, and cognitive skills of children with disabilities. Preventive immunization has also helped.

Please inform suggestions / queries regarding Draft of Maharashtra State Policy for Persons with Disabilities to acdisability2017@gmail.com before 23 May 2017

- c) The District Collector, CEO Zilla Parishad and Municipal Commissioner and Chief Officers of local bodies will provide 3% budgetary allocation in new District Planning & Development Committee (DPDC) schemes, for this purpose. The State will also endeavor to spend increasing amount on this component, realizing that small fund allocated at this stage can in fact save a lot of public expenditure at later stage and also ensure better integration of the Divyangjan.

3. Education

3(i) Inclusive Education : The state will give priority to inclusive education for divyangjan children and only those with high support needs in terms of cognitive, behavioral or neuro disability shall be catered for special education.

- a) The Sarva Shiksha Abhiyan provides for special resources for education of Divyang students with emphasis on inclusive education for their scholastic as well as overall personality development. A special awareness drive among parents of Divyang children will be undertaken for effective implementation of Sarva Shiksha Abhiyaan.
- b) The Education department will ensure that children with disability do not face any discrimination and barriers in the school for which measures to sensitize fellow students, teachers and school administrators will be initiated. Divyang Children will receive reasonable accommodation as per their needs.
- c) The State Education Department will ensure that all government, government aided and private schools will train existing teachers. At least one special education teacher to be provided for each school for exclusive support of divyangjan students. The voluntary services of Parents / Community workers for assisting the teacher will be encouraged.
- d) Regular school teachers will be encouraged to equip themselves in the area of disability through Open and distance learning mode recognized by Rehabilitation Council of India (RCI).
- e) The state would also ensure that students with disability receive appropriate support viz academics, class room support, accessibility to school facilities, examination writer and extra time, adaptation of curriculum and aids and appliances to meet the needs of Divyang Children etc. within framework of Sarva Shiksha Abhiyan.
- f) The State will encourage inclusive education of children who have visually impairment (including low-vision), hearing impairment, loco-motor disability, mild intellectual disability, high functioning autism, slow learning ability, learning disability, and high functioning cerebral palsy in order to build their competencies and provide equal scholastic opportunities. For this services of Parents and Community workers will be utilized on honorarium basis.

3(ii) Special Education through schools and workshops :

Wherever the special needs of Divyangjans cannot be met in inclusive environment the Divyangjan students shall be provided with special education under provisions of Right of Children to Free & Compulsory Education Act 2009. Lower functioning Mansik divyang children (Intellectually Disabled, Autism and Multiple Disabled) and children with high support needs will continue to receive special education that would emphasize on building their proficiency on activities of daily needs, working on their behavioral and emotional needs, personal mobility and community support. The objective will be to enable children with intellectual disability or those with high support needs, to attain their maximum potential with in the connotation of education for all children.

- a) Special schools will be encouraged to provide pre-school training to students for inclusion in mainstream schools especially in the case of blind, hearing impaired and neuro development disabilities. The performance of these special schools will be judged by number of students integrated successfully for inclusive education.
- b) Children with low functional levels may continue in special schools for which state will provide necessary provisions under Right to Compulsory Education Act. Special schools may focus on functional literacy skills, pre vocational skills, and children will be given an option of Rajiv Gandhi open School to complete the school education up to the standard 10th.
- c) In all special schools with hostel facilities and aided by the government the first priority for admission will be for divyang children who are orphan, destitute or not being looked after by parents, followed by children with Intellectual Disability, Autism, multiple disability and children with high support needs.
- d) The next priority will be to children below 5 years who have been detected early for disability and who need to be given the necessary training and early intervention so that the utmost benefit can be got in the early developmental phase in view of the neuroplasticity that they have. To facilitate their coming to the special schools, appropriate day care models will be given preference wherein the mothers will be encouraged to come along with the child so that she is also trained in the process of education of the child.
- e) For those unaided institutions wanting to have special schools by using donations/CSR or their own resources, the state will encourage them to do so and monitor their performance and quality.
- f) The State will display on its Disability web portal about facilities that are available in the State for purpose of Special education and Inclusive education resources in the state.
- g) Children with hearing impairment will have universal accessibility for sign language. Special schools for children with hearing impaired may adopt sign language as mode of communication and medium of instructions for teaching. However, every effort will be made to have children below five years to learn to speak with hearing aid and later develop

reading and writing skills at par with their peers so that they are integrated in inclusive education at the earliest.

- h) The state shall prepare a master plan based on broad census figures for even distribution of special education facilities in each district. This master plan will be the base for sanctioning or de-sanctioning state aided special schools in the districts, or for mobilization of the resource teachers.
- i) The special workshops for the disabled will be modified in keeping with the latest trends in skill development and habitation and rehabilitation and those workshops which do not comply with the changes will be closed.
- j) There will be a model school representing major disability in every division (excluding the orthopedic since most of the children with this disability should avail inclusive education). The Government will empower such schools to become school of excellence.

3(iii) Higher Education : The Government shall involve schemes to facilitate higher education by students with disability in every stream. The universities and colleges in the state would have necessary aids and appliances for higher education of PwDs.

- a) The State shall encourage colleges and University Departments that are conducting Teacher Education Programs to prepare teachers to work with children with disabilities. The School Education Department will provide information about such professional courses in order to attract young people to enroll in the courses.
- b) The State shall support the establishment of Centre for Disability Studies in the state universities. The Centre for Disability Studies will conduct Post Graduate courses in various streams, in addition to undertaking research and development work.
- c) With a view to encourage and facilitate higher education of PwDs belonging to the rural areas the state shall reserve 5% seats in residential hostel at concessional rates for students with disability, domiciled in rural areas.

3(iv) Other regulatory issues in education:

- a. The state government would facilitate:-
 - 1. Appointment of at least one parent/ guardian of children with disability among the members of the school management committee established under section 21 of the Right of Children to Free & Compulsory Education Act 2009.
 - 2. Ensure and monitor the admission, attendance and completion of elementary and secondary education of child with disability.
 - 3. Establish requisite study in the teachers training curriculum such that they are equipped to understand and cater to the general needs of students with disability in their class
